

MDS, Inc. Increased Oil Drain Interval to 75,000 Miles After Utilizing CITGARD 700 & Mystik Lubricants

MDS, Inc., an asset-based logistics provider, operates a fleet of 268 trucks and 510 trailers that services the contiguous United States and Canada. Controlling their costs for maintenance and repairs in order to keep their trucks on the road for longer is a top business priority.

Always looking to suggest products that can deliver better results, the CITGO Lubricants team recommended CITGO® CITGARD® 700 Synthetic Blend Heavy Duty Engine Oil SAE 10W-30. The low-viscosity engine oil is specifically formulated to extend oil drain intervals and improve fuel economy.

Once MDS, Inc. upgraded to the Cummins-approved CITGARD 700 SAE 10W-30 oil and other supporting Mystik lubricant products, it allowed them to safely increase their oil drain interval to 75,000 miles with zero failures attributed to lubrication.

"Due to our experience with CITGARD and Mystik® Lubricants, we feel comfortable extending our oil drain interval to 75,000 miles. We use any product offered by CITGO in our trucks."

— David Hyde
Director of Maintenance, MDS, Inc.

The Trustworthy Approach to Sales

CITGO Lubricants technical experts have partnered with MDS, Inc. since 2018 to deliver top-tier lubrication recommendations. This collaboration has consistently ensured their fleet's maintenance performance and operations run smoothly and efficiently.

Results may vary based on operating conditions and other factors.

For guaranteed results, speak to your CITGO authorized representative about the CITGO Guaranteed Efficiency Program.

Fleet Profile

MDS, Inc.

- Established in 1982
- Headquarters: Morristown, TN
- Currently operating 268 trucks and 510 trailers
- Specializes in comprehensive transportation and logistics services

We've made significant investments in our equipment over the years. It is nice to have a quality oil partner in CITGO that ensures our truck stays on the highway and our customers' needs are met with on-time deliveries.

— Josh Mathys
Business Development Director, MDS, Inc.
